Program Evaluation

Precious Seeds Montessori House is committed to providing the best possible learning environment for the development of your children. Your comments and suggestions as parents, the first educators of your children, are very much valued and regarded as an essential component of reflection on the program which we like to undertake on a regular basis. We would be most grateful for your feedback about our program.

Please complete the following form and submit in person or email us at info@precious-seeds.com.

Questions:

1: Which aspects of the program do you like best?

2: Which aspects of the program do you think could be improved?

3: Please provide any comments, suggestions or recommendations you may have regarding the program.

May we include your comments on our "Testimonials" page? (circle one) YES or NO

If yes, would you like us to use your first name or would you like to remain anonymous?

We appreciate you taking the time to provide us with this feedback.
